From the Principal: At Gildersleeve School our third and fourth grade students will take the Smarter Balanced Assessments between April 26th and May 5th. We will not test every day. Students will complete the English Language Arts (ELA) Computer Adaptive Tests on **Monday, April 26th** and **Tuesday, April 27th**. The following week they will complete the Mathematics Computer Adaptive Test on **Monday, May 3rd** and **Tuesday, May 4th**. Lastly, our students will complete the Mathematics Performance Task on **Wednesday, May 5th**.

Please join the Gildersleeve Staff in encouraging your child to give his/her best effort on the assessments. We recommend a good night's sleep and a nutritious breakfast to start the day.

From the Nurse:

If your child is participating in extracurricular sports or activities and is notified that a person on their team tested positive, please reach out for guidance. Local health depts are extremely busy and sometimes there is a bit of a delay in receiving clear directives from them. If you are contacted by the team coach or activity director, please email me aworonoff@portlandct.us.
