BOE Curriculum Subcommittee Meeting  
November 15, 2023 @ 3:30pm**

**Meeting Minutes**

*Meeting was held virtually on Google Meet.*

I. Call to Order

Meeting was called to order at 3:35pm.

Committee members in attendance: Stacey Benham, Laurel Steinhauser, and Eric Martin, Director of Curriculum, Instruction, and Technology. Absent: Kim Nagy-Maruschock.

II. Next Generation Accountability Results - Share Out and Discussion

The Committee discussed the Next Generation Accountability Results recently released by the state. Eric gave the committee an overview of the 12 standards measured, how to use EdSight to access the data from the 2022-23 school year as well as trends over time, and how to interpret the data. There was discussion about how to share this with the Board. The Committee's recommendation is to make time at the December retreat for a 30-45 minute tutorial for the full Board from Eric, so Board members can have time to look through the data ahead of a January presentation from Eric highlighting some of the key takeaways from the report.

III. Adjournment

Meeting adjourned at 4:35pm.

**Next Meeting: December 20, 2023**
